Jakarta, Indonesia

I hold a Bachelor's degree in Mechanical Engineering and have completed the Full-Stack Web Developer bootcamp at harisenin.com. As a Full Stack Web Developer, I have experience with JavaScript, TypeScript, React.js, Next.js, Node.js, Express.js, MongoDB, and MySQL. I am passionate about learning and eager to acquire new knowledge and skills and currently learning PHP and Laravel. My strengths include problem-solving, website optimization, discipline, attention to detail, and analytical thinking. I am self-motivated, dedicated, and constantly seeking opportunities to expand my expertise and develop innovative solutions.

Work Experiences

Aereon Consulting – Tangerang, Indonesia
